REMARKS

Claim 11 as amended by Examiner's amendment in the Office Action of December 20, 2004, mistakenly omitted the word "in" after "length" in the third line up from the bottom of claim 11 on page 2 of the Office Action. This amendment corrects claim 11 by inserting the word "in" after "length" in line 3 up from the bottom of the currently amended claim.

Respectfully submitted,
